

THE FORGE

MENU

The Forge has its kitchen front & centre within the heart of the restaurant. Guests can witness first hand the chefs cooking over various forms of fire, utilising the best seasonal produce, treated with respect to retain the natural flavour. The kitchen enhances products from our supplier network through innovative preparation, salt ageing, and skilled execution"

Our meat is sourced from renowned Royal warrant holding butcher , Aubrey Allen. As a third generation butcher and supplier to the royal household, quality and provenance takes centre stage. Our beef is selected from the top end of pasture fed cattle, aged in our salt cabinets to provide a deep flavour and stunning texture.
